

Alaska Pharmacists Association

Call for Abstracts and Poster Guidelines

The Alaska Pharmacists Association will have a poster presentation at the 51st Annual Convention. Poster sessions encourage registrants to informally discuss current projects with colleagues in pharmacy practice. This is your opportunity to pick up ideas from successful programs that have worked in other healthcare systems. Please note, CE is **NOT** offered for poster sessions. The posters will be on display on Saturday, February 11th with a 30 minute question and answer session during lunch from 12:30pm – 1:00pm. Posters will be setup on Saturday morning. Check in at the registration desk with your poster.

TOPICS—Possible topics for poster presentation include:

- Community Pharmacy
- Institutional Pharmacy
- Clinical Pharmacy
- Industrial Pharmacy
- Pharmacy Education
- Pharmacy Informatics
- Medication Safety
- Integrative Medicines
- Pharmacogenomics
- Pharmaceutical Technology

INSTRUCTIONS FOR COMPLETION OF ABSTRACTS

1. Abstracts must be typed, single-spaced, within the frame of the form provided below.
2. Avoid abbreviations where possible.
3. Abstracts should include, in the following order and on separate lines:
 - a. Title (type in Bold Lower Case, capitalize when appropriate)
 - b. Author(s) Name(s) – please underline the name of the presenter(s)
 - c. Institutions name including city and state
 - d. Abstract Text should be single-spaced, indent all paragraphs, type within the lines of the box. The font to be used throughout is 11 point Times New Roman. Sections of the abstract text should include: a Purpose, Methods, Results, and Conclusions.
 - e. The abstract should not include tables or graphs.
4. Instructions for submission
 - a. Utilize the abstract submission form on the final page of this document and save/submit via e-mail to: akphrmcy@alaska.net
 - b. Abstracts will be posted at www.alaskapharmacy.org
CE/Events Tab, Convention, Poster Abstracts.

ABSTRACTS SHOULD BE SUBMITTED NO LATER THAN JANUARY 9, 2017

E-mail: akphrmcy@alaska.net

HOW TO PREPARE A POSTER FOR PRESENTATION

1. Create a banner at the top of the poster with the poster title and author(s) and the health system name.
2. Prepare a written summary of your project. Organize the poster sections as follows:
 - a. **Objective(s)/Purpose** of the study or project
 - b. **Methods** used in the study or project
 - c. **Results** of the study or project
 - d. **Conclusions/Evaluation** of the study or project.
 - e. **Author disclosure panel**
3. Poster format should be: Laminated “roll-up” poster which could be affixed to wall-space at the meeting site location (suggested **maximum** size would be a height of 36” and width of 48”)
 - a. The use of projector or demonstration equipment of any kind is not allowed.
 - b. No Velcro, tape, or staples are allowed on the poster boards.
 - c. Bring your own push pins.
 - d. Posters made of heavy laminated materials usually take more than one person and require many push pins to hang. Please consider lighter weight materials.
